REGULATIONORGANIZATION  
17 February 1956**OFFICE OF COMMUNICATIONS****7. DIRECTOR OF COMMUNICATIONS****a. MISSION**

The Director of Communications is charged with advising on matters of communications and electronics policy; activities concerned with the collection by the Agency through technical means of information related to foreign communications and electronic systems; all other operational communications and electronic matters which have a bearing on the security of the United States under the responsibilities of the Central Intelligence Agency as set forth under various charters; and providing the communication support necessary to the accomplishment of various missions of the Central Intelligence Agency.

**b. FUNCTIONS**

In order to properly advise and to provide the Central Intelligence Agency with reliable, secure, and rapid electrical communications facilities for the transmission and reception of intelligence and for the control of its activities throughout the world, the Director of Communications shall:

- (1) Perform a continuing exploration and evaluation of facts from all known sources, including liaison, relative to the consummation of his mission.
- (2) Formulate and implement policies and programs which will make available to the Agency adequate telecommunications facilities conceived and operated under the most modern and efficient techniques available.
- (3) Establish, supervise, and regulate communications practices of the Agency under concepts and policies designed to safeguard these practices with adequate security standards.
- (4) Formulate and implement policies and programs embracing research into and development of communications techniques, facilities, and specialized electronic equipment especially adapted to the needs of the Agency.
- (5) Maintain liaison with other Government agencies on communications and electronic matters, and participate in and provide technical support for Agency negotiations with officials of foreign governments concerning communications matters.
- (6) Provide, in cooperation with the Director of Training, for the training of selected personnel in technical phases of communications including the use of radio, teletype, cryptographic systems, and other communications equipment.

## OFFICE OF THE COMPTROLLER

### 12. MISSION

The Comptroller is in charge of all budgetary and financial operations of the Agency; is responsible for program and financial analysis; and will provide machine records service.

### 13. FUNCTIONS

The Comptroller shall:

- a. Recommend the establishment of Agency fiscal and budget policies and establish procedures for their implementation.
- b. Develop, prepare, and execute the Agency budget and finance programs and furnish advice and assistance to Agency officials in all matters of finance and budget policy.
- c. Supervise the operation of all budget and all financial programs of the Agency.
- d. Develop and maintain effective budgetary and financial reporting of the Agency's activities.
- e. Assist the Director in presentation of the Agency annual budget estimates to the Bureau of the Budget and the Congress.
- f. Control all liaison and contacts with the Bureau of the Budget on Agency matters.
- g. Supervise all liaison with other agencies in connection with budget and finance matters.
- h. Establish necessary fiscal accounting for the assets and liabilities of the Agency.
- i. Provide budget and fiscal services for the National Security Council.
- j. Establish, in conjunction with appropriate Agency components, accounting systems and financial reporting requirements for projects. Install or supervise the installation of project accounting systems where practical.
- k. Develop, in conjunction with appropriate Agency components, issue, and install the necessary accounting systems and financial reporting procedures for domestic and overseas installations.
- l. Develop and maintain effective program and financial analysis and prepare and distribute appropriately analytical reports and statements.
- m. Provide electric accounting machine record service for administrative and selected operational activities.

### 14. ORGANIZATION

See organization chart, Figure 3.
